

With "**Someday**" the Velvet Lounge Project proudly presents the first single for the 5th of July released album "The perfect backdrop".

Once again **Nedime Ince**, (you know her from the 2006 **Popstars** show) has laid down some unbelievable and unforgettable vocal tracks.

With the new hit single "Someday", **Velvet Lounge Project** wants to open up a whole new listening audience, giving the listener a little taste of the upcoming convertible weather.

Along with the Original Radio Version you will find also the **remix from Redlounge Orchesta & Mark Watson**, two top acts from the lounge scene

Someday is the perfect Soundtrack for those long hot summer days, supported by NDR2 ...be chilled!
