

**Bar Grooves in da mix** is not an ordinary Lounge & Chillout Compilation!

The makers of this compilation, and especially **DJ Sleeptalker**, put their main attention on the Continuous Mix. This mix is not just a simple juxtaposition of individual tracks. No, because here was built **a new and unique opus**, fused in one Song. Atmospheric and stimulating.

This unique compilation is not only a must for the **Cafe del mar** in Ibiza, because this mix will delight any music lover. Sophisticated and innovative at the same time, is Bar Grooves in da mix music in a new dimension.
